2nd Annual Charity Bowl for Kosair Charities

Louisville, Kentucky (December 27, 2010) The Lyndon Area Business Association (LABA) and the Prospect Area Chamber of Commerce (PACC) have joined forces to help Kosair Charities. You can bowl for the Kids at Kosair and share your business information with others in the community as well.

Friday, January 28, 2011
Incredible Dave's
9236 Westport Road
5:00 – 8:00PM

"LABA & PACC would like to thank Incredible Dave's for graciously partnering with both organizations to provide a fantastic venue for a wonderful cause," said Cathy Robertson, LABA executive director. In addition, this event would not be possible without the generous support of our business partners in the community. Our primary sponsor Republic Bank is providing refreshments for participants during the event.

Bowling teams consist of four players at a low cost of \$15 each. This includes one game of bowling, shoe rental, t-shirt and more. Area businesses have also donated items to be used as prizes during the event.

Vicky Weber, Vice President of Business Relations at Kosair Charities and a Board Member of LABA asks for your participation "to help the Kids at Kosair".

About Kosair Charities - Since 1923 Kosair Charities has had one primary mission – helping children in need. Kosair Charities knows that the quality of a child's tomorrow depends largely on the quality of health, medical treatment, and support a child receives today. Over the years Kosair Charities has awarded more than \$295 million to serve thousands of children through pediatric organizations or on an individual basis. Kosair Charities is also the largest benefactor to Kosair Children's Hospital.

Charity Bowl registration forms can be obtained from both LABA and PACC. Please contact Cathy Robertson, executive director for the Lyndon Area Business Association at (502) 339-9115 or Kathy Jacobs, executive director for the Prospect Area Chamber of Commerce at (502) 228-7493 for more information.
