**SeniorCare Experts**  
 Becky Ricketts LABA Representative

SeniorCare Experts (SCE) has completed its 36<sup>th</sup> year of service to the senior community of Louisville. "We've changed a lot from our modest beginnings as a senior community center at Harvey Browne Memorial Presbyterian Church and that pattern of change continues", said Becky Ricketts-Community Resource Manager.

As a non-profit organization whose mission is dedicated to helping seniors age in place, they serve over 900 seniors with an array of services designed to help them remain independent at home. Their team consists of a small hard-working staff, a volunteer board and over 200 volunteers who serve seniors in our community on a regular basis. As with most non-profit organizations, they rely on donations and grants to meet their charitable goals. Grant funding allows SeniorCare Experts to offer **financial assistance** on services to many local seniors.

**How they serve the community:**

- Home Delivered Meals:** Offer the only alternative to the government Meals on Wheels program, which carries a long wait list.
- Philips Lifeline Medical Alert:** Allows seniors to remain safe at home and obtain help at the touch of a button. Philips new *Lifeline with AutoAlert* even has a button that can detect falls and calls automatically for help!
- Philips Medication Dispensing Service:** A monitored machine that loads up to 60 doses of medications, calls out when it's time for medications and calls caregivers if doses are missed.
- Non-Medical Home Care:** Provides in home personal care, help with bathing, dressing, light housekeeping, errands, etc.
- Transportation:** A caring program, driven by volunteers who can provide an escort to doctor's appointments, the beauty salon, or other errands.
- AgingWELL newspaper:** Quarterly community newspaper which is mailed to clients and can be picked up at the St. Matthews Eline Library, SCE office and other locations around town. Subscriptions are available.
- Consultations and referrals:** Experienced social worker can work with families to develop options for seniors.

Becky Ricketts was selected as Team Leader for a Rotary vocational and cultural exchange with Germany. Ricketts and her team of four during the month of June toured the Westfalia Region which included the cities and surrounding areas/villages of Cologne, Euskirchen, Eifel Aachen, Koblenz, Berlin, Düsseldorf, and Bonn. "The experiences of food, drink, sights, touch, smell, the hospitality and friendliness were fantastic. Sharing culture and vocations was excellent."

PS If you are interested in applying to be a team member for a future Rotary exchange (not always Germany or June), contact Becky at 494-0740 or see her at a LABA meeting.
