The Lyndon Area Business Association (LABA) is once again hosting the Lyndon Area Fair as a way to give back to the community.

Our free concerts include Mid-Life Crisis on Friday and Lunar Beach House on Saturday. Wonderful community partners such as the Lyndon Fire Department and Louisville Metro Police will also be attending and sharing information with children. Backyard Bounce is again providing inflatables for all ages at a very affordable price. You won't want to miss the Zambelli Fireworks Show on Saturday provided by our friends at The City of Lyndon.

A new feature this year is a "Rock School Showcase" provided by Mom's Music on Saturday afternoon. Bring the whole family to see these great performers.

Yummy food selections will be available too including gourmet hot dogs, Domino's pizza, garlic fries, nachos, fresh-squeezed lemonade, frozen sorbet, elephant ears, Italian ice & more! The Lyndon Elks will be providing a great beer garden next to the cornhole tournament area.

Thank you to our members and area businesses for donating items to our silent auction. You can bid on terrific items like Bruster's Ice Cream gift cards, KY Lottery gift basket, Westport Whiskey & Wine gift basket, jewelry from local artist Betsy Kramer, Fencing classes from Knight of Swords just to name a few! Please visit our business showcase too and support your LABA members.

"AT&T is delighted to return as a platinum sponsor of the 2011 Lyndon Fair," said Hank Mangeot, AT&T Regional Manager-External Affairs. "This is a great way for us to give back to the community and thank our customers for their support."

### Lyndon Fire & Rescue to Initiate Cost Recovery Program

Lyndon Fire Chief Russ Rakestraw

Effective July 1, 2011, Lyndon Fire & Rescue will initiate a cost recovery program which is intended to generate additional revenue for the department. The funding will assist the department in balancing its budget & maintaining its current service levels.

The department recently put together its budget for 2011-2012 & labor costs account for 86% of that budget. For the 3rd year in a row it does not include a cost of living allowance for employees. "We are starting to run out of options financially. Our goal is to maintain our service level without any reduction whatsoever" said Fire Chief Russ Rakestraw.
