### “CLEAN UP” WITH FREE ADVERTISING!

Making Louisville litter free takes teamwork. Last year almost 15,000 citizens participated in Brightside cleanups. You can make a difference!

Join volunteers from across the community and participate in the “**Green Mile**” **Program** through Louisville Metro’s Brightside operations. Comparable to Kentucky’s Adopt-a-Highway Program, Green Mile allows organizations to adopt a roadway. You can work with Metro to select a specific road in your community.

Clean up volunteers will work together to remove trash, beverage containers, cigarette butts, and illegal right-of way signs from our neighborhoods. Brightside will provide FREE bags & gloves to volunteers. They will also coordinate trash pick-up with Louisville Metro Solid Waste Management.

To recognize your cleanup efforts, Brightside will install a sign on the road at no cost to you! The sign will indicate this mile is clean due to your organization. You can clean up the roadway and get some free advertising too! It’s a win-win for everyone!

Participating organizations are also listed on Brightside’s website at <http://www.louisvilleky.gov/Brightside/Litter+Prevention/Green+Mile.htm>.

*If you are interested in participating please contact Mary Byrne at 574-2319 or email at [mary.byrne@louisvilleky.gov](mailto:mary.byrne@louisvilleky.gov).*
