

Lyndon Area Business Association

Moving toward the future

E-News

Issue #24 September 2009

The Lyndon Area Business Association is happy to announce our 20th year as a viable business partner in the community. We are hosting a fantastic celebration on

Thursday, October 8th, 5-8pm. A great dinner buffet, wonderful friends, music, team trivia for cash prizes, give-a-ways, our own Derby City Diva-Leesa Mitchell as our emcee, a generous donation to Kosair Charities and all for only \$20. What a great value!

We are fortunate to have the dedication and support of our members. Here's just a sample of their comments. **Ed Koffenberger, Pastor of Suburban Christian Church** stated, "Community information is the first step in providing community services. As a church, our membership in LABA allows us to know about the ebbs and flows of our area, its concerns and hopes, so that we can be of better service to our community". "The city's relationship with Lyndon is mutually beneficial in making Lyndon & Louisville a great place to work and live", stated **Metro Louisville's John Coots.**

Lyndon Fire Chief Russ Rakestraw commented, "LABA membership keeps Lyndon Fire connected to our vital business community. The opportunity to partner with the businesses helps us to enhance the safety and viability of the Lyndon community".

"LABA is so interesting because it is a unique & eclectic mix of business members of the Lyndon community as shown by the varied membership of large international organizations like UPS, small local firms like Bruster's Ice Cream, national retailers like Office Depot & Costco, and original Wood (founder of Lyndon) family members like this writer" shared **Jim Hodge, Attorney.**

Please join us for our 20th anniversary celebration!
