

TAKE ADVANTAGE OF THREE GREAT LABA

MEMBER BENEFITS

The Lyndon Area Business Association (LABA) is proud to announce our newest member benefits provider for electronic payment processing. We have partnered with National Processing Company (NPC), a leading provider of credit card processing and other point-of-sale payments. Headquartered

in Louisville, NPC has longevity and experience in the payments industry with over 40 years of experience. They provide payment processing to over 240,000 businesses nationwide. They also have an A+ rating with the Better Business Bureau.

NPC has customized solutions to meet your needs whether you prefer to utilize a counter-top terminal, mobile solution or an online gateway through your PC/MAC. These solutions provide a convenient method to schedule payment plans for an easy automated collection process thus reducing your accounts receivables.

We urge you to have a free rate comparison completed by NPC Account Manager Scott Tyree. He will be happy to show you potential cost-savings and you will also receive a \$25 gift card. NPC as an additional benefit will also provide assistance with transitioning from your present vendor.

Partner with NPC and be confident that you are in the hands of an experienced payment processor. Please contact Scott today at (502) 961-5200 ext 2746 or email at styree@npc.net.

Another great LABA Member benefit is the Paychex Discount Program. Today, Paychex offers an ever-growing variety of payroll and human resource products and services that help clients do what they do best — run their business. From calculating payroll and filing tax payments to administering retirement plans and workers' compensation, Paychex gives its clients relief from administrative hassles so they can focus on their bottom line. Contact Diana Gioielli for more details. (502) 245-6660 or dgioielli@paychex.com

Great Details to Follow....

Back-To-School Shoe Drive

Turn your old shoes into clean drinking water for those in need and you will be entered to win a Heine Brothers' Coffee \$50 gift card!

How do you turn shoes into drinking water?

The EDGE Outreach Shoes for Water program will do it for you! Once collected, the shoes are given a second life when the EDGE exports the donated shoes to retailers in the developing world. The resale of shoes provides jobs and affordable footwear. Funds generated from the export of shoes will go to providing well drilling rigs, water purification systems, and hand pump repair micro businesses bringing safe, clean water to those who thirst. For more information about the EDGE Outreach Shoes for Water program, please visit www.EdgeOutreach.com

Here's how you can get involved:

- When:** Monday, August 15th - Sunday, October 2nd, 2011
- Where:** Drop shoes off at any one of Heine Brothers' 9 neighborhood locations.
- Shoes:** Shoes are accepted in any condition, preferably with the laces tied together. All shoes that are not able to be worn will be recycled into usable products.
- Gift Card Giveaway:** When you drop your shoes off you will be given a card with information on how to register to win a \$50 HBC Gift Card!

Our Goal is 15,000 shoes! Help us get there!

Thank you to Senior Iguanas for hosting our August Business Connection!
