SNOW REMOVAL

Please remember that Lyndon streets are plowed and/or salted on a priority basis. Thru roads, major intersections and hills receive first consideration. All streets are plowed only if a snowfall of 4" or greater has been reached.

All vehicles should be parked in driveways when snow is forecasted or already on the ground. If your vehicle is left in the roadway during a snow event, it may be towed at your expense.

For more information regarding snow removal, visit www.cityoflyndon.org/SnowRemoval.

ARBOR DAY

TREE CITY USA®

The City of Lyndon has been named "Tree City USA" for the 18th year. The honor is given to communities across the country who meet core standards of sound, urban forestry management set forth by the Arbor Day Foundation.

Fraud Alert

COVID-19 Vaccine Scams

With the distribution of vaccines for Covid-19 now underway, it is important to be aware of scams seeking to take advantage of the elderly and other vulnerable populations. Seniors should be particularly vigilant for callers, texters or visitors seeking money or their private information in order to receive a vaccine.

This month the United States Department of Health and Human Services issued the following tips to protect yourself from Covid-19 fraud:

- 1** You will **NOT** be asked for money to improve your ranking for vaccine eligibility
- 2** Government and State officials will **NOT** call you to obtain personal information in order to receive the vaccine, and you will **NOT** be solicited door to door to receive the vaccine.
- 3** Medicare will **NOT** contact you to offer you Covid-19 related products
- 4** Do **NOT** respond to or open any text messages or hyperlinks from unknown senders
- 5** Be suspicious of any unexpected calls or visitors offering vaccinations, tests, or supplies*
